2 Why are B/C preliminary crucial?

- Zone A
 - Levels > Upper Assessment Threshold
 - Due to population, 3 sampling points are required
- Case 1: there are 5 sampling points – should not “worry”
- Case 2: there are 3 sampling points, but 1 equipment is old and I keep sending to maintenance – DO WORRY!!!
- Case 3: there are only 2 sampling points, I need a third one

3 What to report?

3 What to report?

Do I need preliminary D1b (model/objective) ?

pB → pC

Update your latest D1b

Remember that for D1b, we are promoting IDs not to be year specific and this will help in preliminary B & D reporting

-
- A night view of the Palace of the National Congress in Mexico City, illuminated by blue spotlights and surrounded by a large display of colorful fireworks. The building's central dome and flanking towers are brightly lit, with blue beams of light projecting upwards. In the foreground, a wide staircase leads up to the entrance, flanked by green hedges and trees. The sky is filled with numerous large, colorful fireworks in shades of white, yellow, green, purple, and blue, creating a spectacular display.

Thank you for your attention!
